### **HIGHWAY 220 SOUTHBOUND RAMP CLOSURE**

The Superintendent of the Blue Ridge Parkway announces the temporary closure of the US 220 southbound ramp of the Blue Ridge Parkway at Milepost 121.4. This section of the Parkway will be totally closed to all traffic for resurfacing on Wednesday, June 17, 2009, starting at 9:00 a.m. and remaining closed until approximately 8:00 p.m. We apologize for any inconvenience this work may create. The existing pavement on this ramp is in poor condition, and we feel it is necessary to accomplish this work now simply because it will greatly improve safety characteristics of the ramp for the Parkway user.
